

# Junior Golf Coaching @ Mid Sussex Golf Club

With the many initiatives and resources from National Governing Bodies all of junior coaching sessions will enhance the enjoyment and improvement of all pupils.

**All sessions are open to boys & girls – members & non members.  
No previous experience is required and all equipment can be provided**

We endeavour to create clear pathways for children to learn the game and improve. Starting with taster sessions at school they can then come and try the game at the golf club and if they continue to enjoy the game and wish to improve they can take part in more structured coaching and playing sessions. We try to make all sessions available and affordable to all, culminating in an opportunity for anybody to try the game and continue. In the coming months we have lots of sessions organised in schools around the area and we also have many plans for more junior sessions.
